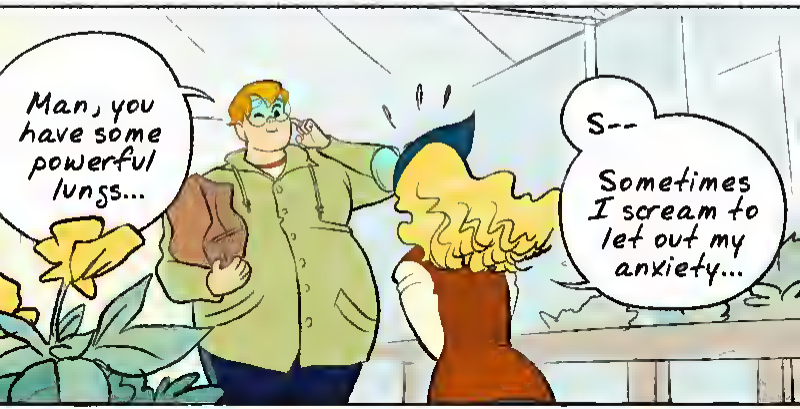
What are you doing?
Oh, Schafer!
Sorry, I--
I had no idea you were here!



Man, you have some powerful lungs...

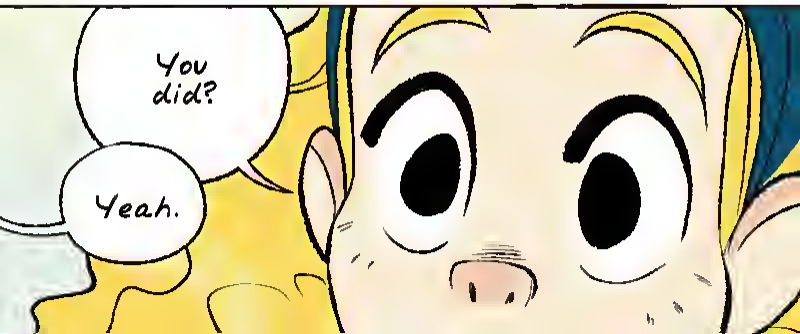
Sometimes I scream to let out my anxiety...

What are you anxious about?

Well, Amy's not here and I tried calling her but--
Oh, she's meeting us right before the parade starts.
I talked to her earlier.



You did?
Yeah.

Well--
Well where have you been?

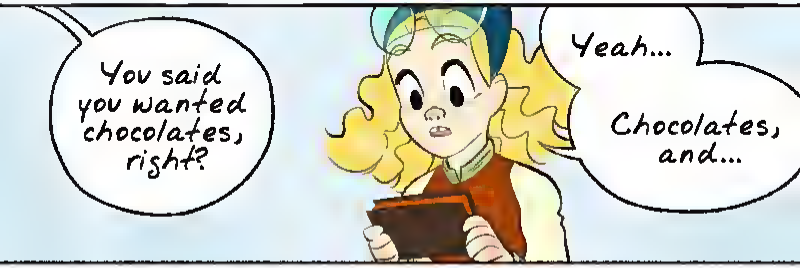
I went to buy candy.

We already

bought candy!
We have bags of candy!

Not this kind...

chocolates



You said you wanted chocolates, right?
Yeah...

KOKOMO TOWN HALL

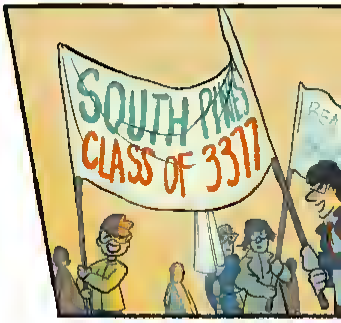
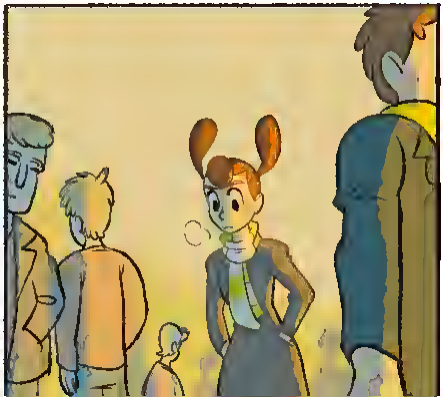
Please set to your positions!

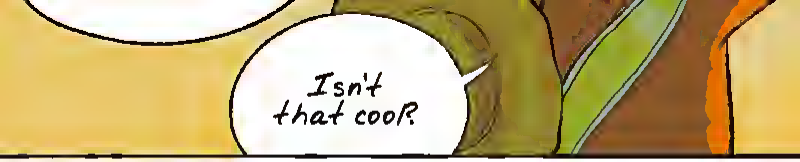


SOUTH PINES
CLASS OF 3317



Hi, Amy!

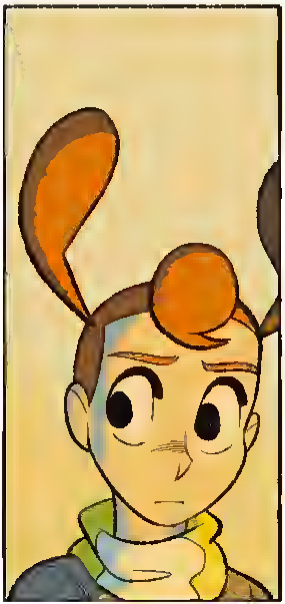
Oh, hello.
I didn't know you'd be here...
I'm in the marching band.
We're at the head of the parade!
Oh, yeah...
That makes sense.
David's here too, with the football team.
They get to ride in the homecoming float with the Mayor of Kokomo--



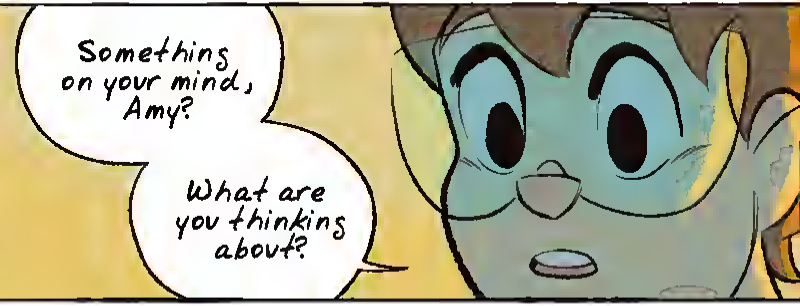
Isn't that cool?

Wow...
Yeah...

Looking for someone?



Sorry--
What?



Something on your mind, Amy?
What are you thinking about?

I'm...

I'm trying to figure out what to do.
There's this question I have...
...but I'm scared to know the answer.

I know exactly how you feel.

Zeph!
It's time to line up!

I have to go...
Me too, I guess...

It'll be okay, Amy.
Hang in there.

Thanks, Zeph.

Hey, are you going to the game tonight?
Want to sit with me?
I'm performing in the halftime show, but other than that...
Sure...
I'd like that.

Sorry I didn't publish this before Amy discovered Oliver's flavor-- I'm so far behind on fan art!
I think a Durian is a hilarious and very plausible guess for Oliver's flavor ha ha!
